#### § 62.17 Fees and charges. [Reserved]

### Subpart B—Specific Program Provisions

#### § 62.20 Professors and research scholars.

(a) *Introduction.* These regulations govern professors and research scholars, except:

(1) Alien physicians in graduate medical education or training, who are governed by regulations set forth at § 62.27; and

(2) Short-term scholars, who are governed by regulations set forth at § 62.21.

(b) *Purpose.* A primary purpose of the Exchange Visitor Program is to foster the exchange of ideas between Americans and foreign nationals and to stimulate international collaborative teaching and research efforts. The exchange of professors and research scholars promotes interchange, mutual enrichment, and linkages between research and educational institutions in the United States and foreign countries. It does so by providing foreign professors and research scholars the opportunity to engage in research, teaching, and lecturing with their American colleagues, to participate actively in cross-cultural activities with Americans, and ultimately to share with their fellow citizens their experiences and increased knowledge about

the United States and their substantive fields.

(c) *Designation.* The Department of State may, in its sole discretion, designate *bona fide* programs which offer foreign nationals the opportunity to engage in research, teaching, lecturing, observing, or consulting at research institutions, corporate research facilities, museums, libraries, post-secondary accredited educational institutions, or similar types of institutions in the United States.

(d) *Visitor eligibility.* An individual may be selected for participation in the Exchange Visitor Program as a professor or research scholar subject to the following conditions:

(i) The participant shall not be a candidate for tenure track position; and

(ii) The participant has not been physically present in the United States as a nonimmigrant pursuant to the provisions of 8 U.S.C. 1101(a)(15)(J) for all or part of the twelve month period immediately preceding the date of program commencement set forth on his or her Form DS-2019, unless:

(A) The participant is transferring to the sponsor's program as provided in § 62.42; or

(B) The participant's presence in the United States was of less than six months duration; or

(C) The participant's presence in the United States was pursuant to a Short-term scholar exchange activity as authorized by § 62.21.

(e) *Insurance of Form DS-2019.* The Form DS-2019 shall be issued only after the professor or research scholar has been accepted by the institution(s) where he or she will participate in an exchange visitor program.

(f) *Location of the exchange.* Professors or research scholars shall conduct their exchange activity at the location(s) listed on the Form DS-2019, which could be either at the location of the exchange visitor sponsor or the site of a third party facilitating the exchange. An exchange visitor may also engage in activities at locations not listed on the Form DS-2019 if such activities constitute occasional lectures or consultations as permitted by paragraph (g) of this section.

(g) *Occasional lectures or consultations.* Professors and research scholars may

participate in occasional lectures and short-term consultations, unless disallowed by the sponsor. Such lectures and consultations must be incidental to the exchange visitor's primary program activities. If wages or other remuneration are received by the exchange visitor for such activities, the exchange visitor must act as an independent contractor, as such term is defined in 8 CFR 274a.1(j), and the following criteria and procedures shall be satisfied:

(1) *Criteria.* The occasional lectures or short-term consultations shall:

(i) Be directly related to the objectives of the exchange visitor's program;

(ii) Be incidental to the exchange visitor's primary program activities; and

(iii) Not delay the completion date of the visitor's program.

(2) *Procedures.* (i) To obtain authorization to engage in occasional lectures or short-term consultations involving wages or other remuneration, the exchange visitor shall present to the responsible officer:

(A) A letter from the offeror setting forth the terms and conditions of the offer to lecture or consult, including the duration, number of hours, field or subject, amount of compensation, and description of such activity; and

(B) A letter from his or her department head or supervisor recommending such activity and explaining how it would enhance the exchange visitor's program.

(ii) The responsible officer shall review the letters required in paragraph (g)(2)(i) of this section and make a written determination whether such activity is warranted and satisfies the criteria set forth in paragraph (g)(1) of this section.

(h) *Category.* At the discretion of the responsible officer, professors may freely engage in research and research scholars may freely engage in teaching and lecturing, unless disallowed by the sponsor. Because these activities are so intertwined, such a change of activity will not be considered a change of category necessitating a formal approval by the responsible officer or approval by the Department of State. Any Form DS-2019 issued to the exchange visitor should reflect the current category of

the exchange visitor, either professor or research scholar.

(i) *Duration of participation.* The permitted duration of program participation for a professor or research scholar shall be as follows:

(1) *General limitation.* The professor and research scholar shall be authorized to participate in the Exchange Visitor Program for the length of time necessary to complete his or her program, which time shall not exceed three years.

(2) *Exceptional circumstance.* The Department of State may authorize a designated Exchange Visitor Program sponsor to conduct an exchange activity requiring a period of program duration in excess of three years. A sponsor seeking to conduct a discrete activity requiring more than the permitted three years of program duration, but less than six years of program duration, shall make written request to the Department of State and secure written Department of State approval. Such request shall include:

(i) A detailed explanation of the discrete exchange activity; and

(ii) A certification that the participation of selected research scholars will be financed directly by United States or foreign government funds.

(3) *Change of category.* A change between the categories of professor and research scholar shall not extend an exchange visitor's permitted period of participation beyond three years.

(j) *Extension of program.* Professors and research scholars may be authorized program extensions as follows:

(1) *Responsible officer authorization.* A responsible officer may extend, in his or her discretion and for a period not to exceed six months, the three year period of program participation permitted under paragraph (i) of this section. The responsible officer exercising his or her discretion shall do so only upon his or her affirmative determination that such extension is necessary in order to permit the research scholar or professor to complete a specific project or research activity.

(2) *Department of State authorization.* The Department of State may extend, upon request and in its sole discretion, the three year period of program participation permitted under paragraph

## Department of State

## § 62.20, Note

(i) of this section. A request for Department of State authorization to extend the period of program participation for a professor or research scholar shall:

(i) Be submitted to the Department of State, unless prevented by extraordinary circumstance, no less than 60 days prior to the expiration of the participant's permitted three year period of program participation; and

(ii) Present evidence, satisfactory to the Department of State, that such request is justified due to exceptional or unusual circumstances and is necessary in order to permit the researcher or professor to complete a specific project or research activity.

(3) *Timeliness.* The Department of State will not review a request for Department of State authorization to extend the three year period of program participation permitted under paragraph (i) of this section unless timely filed; provided, however, that the Department of State reserves the right to review a request that is not timely filed due to extraordinary circumstance.

(4) *Final decision.* The Department of State anticipates it will respond to requests for Department of State authorization to extend the three year period of program participation permitted under paragraph (i) of this section within 30 days of Department of State receipt of such request and supporting documentation. Such response shall constitute the Department of State's final decision.

EFFECTIVE DATE NOTE: At 70 FR 28817, May 19, 2005, § 62.20 was revised and at 70 FR 36344, June 23, 2005, paragraph (d)(2) introductory text in § 62.20 was correctly revised. These amendments become effective on the later of June 20, 2005 or the date upon which the Department of Homeland Security publishes a notice in the Federal Register announcing that it has completed the technical computer updates to its electronic Student and Exchange Visitor Information System (SEVIS) that are necessary to implement this rule. For the convenience of the user, the revised text is set forth as follows:

### § 62.20 Professors and research scholars.

(a) *Introduction.* These regulations govern Exchange Visitor Program participants in

the categories of professor and research scholar, except:

(1) Alien physicians in graduate medical education or training, who are governed by regulations set forth at § 62.27; and

(2) Short-term scholars, who are governed by regulations set forth at § 62.21.

(b) *Purpose.* The purpose of the Exchange Visitor Program, in part, is to foster the exchange of ideas between Americans and foreign nationals and to stimulate international collaborative teaching, lecturing and research efforts. The exchange of professors and research scholars promotes the exchange of ideas, research, mutual enrichment, and linkages between research and educational institutions in the United States and foreign countries. It does so by providing foreign professors and research scholars the opportunity to engage in research, teaching and lecturing with their American colleagues, to participate actively in cross-cultural activities with Americans, and ultimately to share with their countrymen their experiences and increased knowledge of the United States and their substantive fields.

(c) *Designation.* The Department of State may, in its sole discretion, designate *bona fide* exchange visitor programs, which offer foreign nationals the opportunity to engage in research, teaching, lecturing, observing, or consulting at research institutions, corporate research facilities, museums, libraries, post-secondary accredited educational institutions, or similar types of institutions in the United States.

(d) *Visitor eligibility.* An individual may be selected for participation in the Exchange Visitor Program as a professor or research scholar subject to the following conditions:

(1) The participant must not be a candidate for a tenure track position;

(2) The participant has not been physically present in the United States as a non-immigrant pursuant to the provisions of 8 U.S.C. 1101(a)(15)(J) for all or part of the twelve-month period immediately preceding the date of program commencement set forth on his or her Form DS-2019, unless:

(i) The participant is transferring to the sponsor's program pursuant to provisions set forth in § 62.42;

(ii) The participant's presence in the United States was of less than six months duration; or

(iii) The participant's presence in the United States was pursuant to a short-term scholar exchange activity as authorized by § 62.21; and

(3) The participant is not subject to the prohibition against repeat participation set forth at § 62.20(i)(2).

(e) *Issuance of Form DS-2019.* The Form DS-2019 must be issued only after the professor or research scholar has been accepted by the institution where he or she will participate in an exchange visitor program.

(f) *Location of the exchange.* Professors or research scholars must conduct their exchange activity at the site(s) of activity identified in SEVIS, which may be either the location of the exchange visitor program sponsor or the site of a third party facilitating the exchange with permission of the Responsible Officer. An exchange visitor may also engage in activities at other locations if such activities constitute occasional lectures or consultations permitted by paragraph (g) of this section. All such sites of activity must be entered into SEVIS while the exchange visitor's SEVIS record is in Initial or Active status.

(g) *Occasional lectures or consultations.* Professors and research scholars may participate in occasional lectures and short-term consultations, if authorized to do so by his or her sponsor. Such lectures and consultations must be incidental to the exchange visitor's primary program activities. If wages or other remuneration are received by the exchange visitor for such activities, the exchange visitor must act as an independent contractor, as such term is defined in 8 CFR 274a.1(j), and the following criteria and procedures must be satisfied:

(1) *Criteria.* The occasional lectures or short-term consultations must:

- (i) Be directly related to the objectives of the exchange visitor's program;
- (ii) Be incidental to the exchange visitor's primary program activities;
- (iii) Not delay the completion date of the exchange visitor's program; and
- (iv) Be documented in SEVIS.

(2) *Procedures.* (i) To obtain authorization to engage in occasional lectures or short-term consultations involving wages or other remuneration, the exchange visitor must present to the responsible officer:

(A) A letter from the offeror setting forth the terms and conditions of the offer to lecture or consult, including the duration, number of hours, field or subject, amount of compensation, and description of such activity; and

(B) A letter from the exchange visitor's department head or supervisor recommending such activity and explaining how the activity would enhance the exchange visitor's program.

(ii) The responsible officer must review the letters required in paragraph (g)(2)(i) of this section and make a written determination whether such activity is warranted, will not interrupt the exchange visitor's original objective, and satisfies the criteria set forth in paragraph (g)(1) of this section.

(h) *Change of activity.* At the discretion and approval of the responsible officer, professors may freely engage in research and research scholars may freely engage in teaching and lecturing. Because these activities are intertwined, such a change of activity is not considered a change of category necessitating

formal approval by the Department of State and does not require the issuance of a new Form DS-2019 to reflect a change in category. Such change in activity does not extend the exchange visitor's maximum duration of program participation.

(i) *Duration of participation.* The permitted duration of program participation for a professor or research scholar is as follows:

(1) *General limitation.* A professor or research scholar may be authorized to participate in the Exchange Visitor Program for the length of time necessary to complete his or her program, provided such time does not exceed five years. The five-year period of permitted program participation is continuous and begins with the initial program begin date documented in SEVIS or the date such status was acquired via a petition submitted and approved by the Department of Homeland Security (DHS) as documented in SEVIS and ends five years from such date.

(2) *Repeat participation.* Exchange participants who have entered the United States under the Exchange Visitor Program as a professor or research scholar, or who have acquired such status while in the United States, and who have completed his or her program are not eligible for participation as a professor or research scholar for a period of two years following the end date of such program participation as identified in SEVIS.

(3) *Extensions.* A responsible officer may not extend the period of program duration beyond the five-year period of maximum program duration authorized for professor and research scholar participants. The Department may, in its sole discretion, authorize an extension beyond the permitted five-year period, as submitted by a "G-7" program sponsor, upon successful demonstration of the following:

(i) The participant for whom an extension is requested is engaged in a research project under the direct sponsorship of a Federally Funded National Research and Development Center ("FFNRDC") or a U.S. Federal Laboratory;

(ii) The FFNRDC or U.S. Federal Laboratory requesting the extension on behalf of the participant has determined, through peer review, that the participant's continued involvement in the project is beneficial to its successful conclusion; and

(iii) The Secretary of the Department of Homeland Security has determined in his/her discretion that the extension may be approved;

(iv) The extension request is for not more than five years.

#### § 62.21 Short-term scholars.

(a) *Introduction.* These regulations govern scholars coming to the United States for a period of up to four months to lecture, observe, consult,
